

SBI Technical Specification Manager

National Role, UK

Full Time

CPG Europe manufactures high performance building materials in order to solve the complex challenges faced by today's construction industry. With over 1,400 employees across Europe, we are committed to shaping a world where buildings and structures save energy, last longer and exceed sustainability benchmarks.

The Role

- **Technical Assistance:** Provide high level technical assistance to the SBI Division for all CPG Products that go into the 'Built-up Wall'. Examples: Weather and Airtight solutions, Fire Stopping, External Facades, and Structure.
- **Subject Expert:** Attend meetings with members of the Sales team as and when required to provide technical advice/support.
- **Be Part of the Team:** Assist the Sales team and specifiers by providing the following software aided Sales/ Specification Support; CAD Design, Wufi Moisture Risk Assessment, Windload Calculations, Site exposure risk, NBS clauses and built-up wall thermal analysis.

Skills and Qualifications

- **Experience:** A minimum of 5 years practical experience within a construction-based trade. Experienced with reading technical drawings.
- **Education:** A formal Btec qualification or equivalent in a construction related discipline.
- **Technical:** Computer literate on all MS Office software and AutoCAD. Knowledge of CRM systems is also advantageous.
- **Personality:** Confidence in public speaking especially for presentations and training sessions. Exceptional communications skills and the ability to foster strong working relationships with all internal/external stakeholders.

Benefits

- **Remuneration & Reward:** A competitive salary and attractive bonus scheme
- **Excellent Benefits:** A range of attractive benefits (e.g. pension scheme, holidays, life assurance and private medical)
- **Home-Office:** Equipment for working from home as well as laptop and mobile phone
- **Opportunities to Grow:** A variety of learning & development opportunities.
- **Internationality:** Be a part of a growing international group.
