

Regional Construction Project Manager

North or South UK

Full Time

StructureCare www.structurecare.com are part of the CPG Europe family www.cpg-europe.com which includes other well-known brands including Tremco, Flowcrete, Illbruck, Nullifire, Vandex and Dryvit.

StructureCare are CPG's Specialist in-house Contractor who are focussed on the Repair, Maintenance and Protection of Buildings and Structures throughout the UK and are seeking to appoint a person for the North and for the South of the country.

This opportunity offers significant potential for growth working as part of a dynamic and driven team, working primarily with Tremco CPG systems, but also having access to the wider portfolio of RPM International businesses, products, systems, people and support.

Duties Include:

- Ensure that Project Scopes, Specifications, and Quality Objectives are clear, understood and communicated with the wider Project Management Team.
- Ensure timely and effective communication and planning of projects so we are fully prepared in all areas, enabling us to deliver to our full potential.
- Lead and manage the relationship with our client and any relevant stakeholders.
- Work with the Field Operations Manager and wider team to record and track project performance against programme and budget.
- Ensure accurate and timely reporting, promote the need for good records, timely actions and raising awareness where risks are faced.
- Work with the Technical & Quality team to drive Quality and Inspections targeting zero defects.
- Work with the Quantity Surveying team to ensure that project reporting is live and accurate, allowing us to track performance against budgets in real time.
- Work closely with the Safety Team to promote a strong safety culture. Drive safety reporting through daily reports, audits and initiatives.

Successful candidates will have the following:

- Experience and knowledge of Project Management preferably in the Construction Industry.
- Proven ability to work under pressure to strict deadlines in order to meet customer expectations.
- Committed to the health, safety and wellbeing of co-workers and the environment.
- A willingness to adapt to changing business needs.
- A positive attitude, even in difficult situations
- Strong team working skills

Salary & Benefits

- A competitive salary, which will be reviewed annually.
- Lucrative bonus scheme, where you could earn additional 10% of your base salary.
- 40 hours working week
- 21 days holiday entitlement (excluding bank holidays) increasing to 26 days holiday following length of service with the business.
- A range of attractive benefits (pension, and life assurance).
